November 12, 2017 Thirty Second Sunday in Ordinary Time

WISDOM

We consider wisdom today. The first reading from the book of Wisdom presents this precious gift as a feminine spirit, a very desirable virtue sought by many and graciously present to all who seek her. In today's Gospel, Jesus tells a parable to illustrate wisdom in a practical, measurable way. The wise will conserve their resources, use them prudently, and mark the passing of time. The foolish, on the other hand, not planning ahead, will be in the dark. Both of these readings tell us how accessible wisdom is to all who simply and honestly seek it.

Paul's words to the Thessalonians are not about wisdom, but describe one result of true wisdom: To the wise person of faith even death holds no terror. Our faith in Jesus' resurrection tells us we will all one day rise to new life in Christ.

TODAY'S READINGS

First Reading — Wisdom is easily discerned by those who love her (Wisdom 6:12-16).

Psalm — My soul is thirsting for you, O Lord my God (Psalm 63).

Second Reading — Since we believe that Jesus died and rose again, through Jesus, God will bring with him those who have died (1 Thessalonians 4:13-18 [13-14]).

Gospel — Stay awake! You know neither the day nor the hour (Matthew 25:1-13).

SABIDURÍA

Consideramos la sabiduría hoy. La primera lectura del libro de la Sabiduría presenta este regalo precioso como un espíritu femenino, una virtud muy deseable buscada por muchos y graciosamente presente a todos los que la buscan. En el Evangelio de hoy, Jesús cuenta una parábola para ilustrar la sabiduría de una manera práctica y mensurable. El sabio conservará sus recursos, los usará con prudencia y marcará el paso del tiempo. El tonto, por otro lado, no planeando hacia adelante, estará en la oscuridad. Ambas lecturas nos dicen cuán accesible es la sabiduría para todos los que simplemente y honestamente la buscan.

Las palabras de Pablo a los Tesalonicenses no se refieren a la sabiduría, sino que describen un resultado de verdadera sabiduría: para la persona sabia de la fe, incluso la muerte no tiene terror. Nuestra fe en la resurrección de Jesús nos dice que algún día nos levantaremos a una nueva vida en Cristo.

LECTURAS DE HOY

Primera lectura: la sabiduría se discierne fácilmente entre quienes la aman (Sabiduría 6: 12-16).

Salmo: Mi alma está sedienta de ti, oh Señor mi Dios (Salmo 63).

Segunda lectura: como creemos que Jesús murió y resucitó, por medio de Jesús, Dios traerá consigo a los que murieron (1 Tesalonicenses 4: 13-18 [13-14]).

Prayer for Veterans

God of peace, we pray for those who have served our nation and have laid down their lives to protect and defend our freedom.

We pray for those who have fought, whose spirits and bodies are scarred by war, whose nights are haunted by memories too painful for the light of day.

We pray for those who serve us now, especially for those in harm's way. Shield them from danger and bring them home.

Turn the hearts and minds of our leaders and our enemies to the work of justice and a harvest of peace. Spare the poor, Lord, spare the poor.

May the peace you left us, the peace you gave us, be the peace that sustains, the peace that saves us. Christ Jesus hear us, Lord Jesus, hear our prayer. Amen

FORMED: For a limited time only - The Bible & The Sacraments, Journey Through Scripture. Episodes 1 & 2 of The Bible & The Sacraments are now on FORMED. Presented by popular speaker & author Matthew Leonard, the deep mysteries & truths of the sacraments come alive in a whole new way through exploring where the sacraments come from, what they mean and why they are so important and foundational to our Catholic faith.

Episode I: Introduction to the Mysteries... While "sacraments are 'powers that come forth' from the Body of Christ" (CCC 1116), they are nothing new to the story of salvation history. These "masterworks of God" have been part of God's plan for our salvation from the very beginning.

Episode II: The Ritual of Family... The goal of the seven sacraments of grace is to make us nothing less than true sons and daughters of Almighty God. That happens primarily in the liturgy, where we move from the "visible to the invisible, from the sign to the thing signifies, from the sacrament to the mystery" (CCC 1075)

The International Pilgrim Virgin Statue of Our Lady of Fatima, which was entrusted to the World Apostolate of Fatima in 1947 to travel around the world, is on a historic two-year journey across the USA—and will arrive at **St. Thomas Aquinas Parish on Tuesday, November 14th.**

All are invited to process into our sanctuary that morning at 8:00 am with the Pilgrim Statue, where a Mass in honor of Our Lady of Fatima will follow. The statue may be venerated throughout the day, interspersed with devotions, a talk on the apparitions at Fatima, and closing benediction at 6:30 p.m.

The Fatima Centennial U.S. Tour for Peace began in March 2016 to commemorate the 100th anniversary of the apparitions of the Angel of Peace and the Blessed Mother at Fatima, Portugal. At the Tour's conclusion in December 2017 the statue will have visited 100 dioceses and all 50 states.

The goal of the Tour is to allow Our Lady of Fatima to claim her dominion over America through her Immaculate Heart, and to bring the urgent Message of Fatima—the Peace Plan from Heaven—to a world in need. It also encourages devotion through personal consecration to the Immaculate Heart of Mary, which was the mission given to the Fatima visionary Lucia dos Santos by Our Lady and Our Lord. According to Sr. Lucia, the pilgrim image sculpted under her instructions and blessed by Pope Pius XII in 1947, represents Our Lady's position when she revealed herself as the Immaculate Heart in 1917.

Also, **ANY** vehicle in violation of this ordinance may be towed at the expense of the owner.

TREASURES FROM OUR TRADITION

We had sixteen hundred years' experience with one Eucharistic Prayer in our repertoire, and the liturgical reforms of the Council of Trent shaped the way we worshiped for four hundred years. In the last years of the Tridentine Mass, the early 1960s, we tended to see children as miniature adults. Fully rooted in the Sunday assembly by the decision of Pope Saint Pius X to push Communion back to the age of seven or so from the standard age of twelve to fourteen years during the early 1900s, children were still more tolerated than acknowledged. The Mass was in Latin, and by the 1960s the people had begun to regain their voices in the "dialogue Mass," so the focus was on training little children to recite or sing in Latin.

The new attention to the experience of children, their ability to enter into ritual, their spontaneity, their ability to grasp key concepts in faith, felt "untraditional." Yet we can trace in our tradition the ways in which children have long been given a special place in the assembly. From earliest times, boys have served in choirs and certain ministries in monasteries and in parish churches. Girls were sometimes entrusted to nuns, learning liturgical chants and the arts. Yet, in our day, the formation of a Lectionary for children and Eucharistic Prayers suited to them are truly tremendous breakthroughs in our treasury of prayer.

TESOROS DE NUESTRA TRADICIÓN

Tuvimos una experiencia de mil seiscientos años con una Oración Eucarística en nuestro repertorio, y las reformas litúrgicas del Concilio de Trent formaron la forma en que adoramos durante cuatrocientos años. En los últimos años de la Misa Tridentina, a principios de la década de 1960, tendíamos a ver a los niños como adultos en miniatura. Totalmente enraizado en la asamblea del domingo por la decisión del Papa San Pío X de hacer retroceder a la Comunión a la edad de siete años aproximadamente de la edad estándar de doce a catorce años durante los primeros años del siglo XX, los niños eran más tolerables que reconocidos. La Misa fue en latín, y en la década de 1960 la gente había comenzado a recobrar sus voces en la "Misa de diálogo", por lo que la atención se centró en la formación de niños pequeños para recitar o cantar en latín.

La nueva atención a la experiencia de los niños, su capacidad para entrar en el ritual, su espontaneidad, su capacidad de comprender conceptos clave en la fe, se sintió "no tradicional". Sin embargo, podemos rastrear en nuestra tradición las formas en que a los niños se les ha dado lugar especial en el montaje. Desde los primeros tiempos, los niños han servido en coros y ciertos ministerios en monasterios y en iglesias parroquiales. Las niñas a veces eran confiadas a monjas, aprendiendo cantos litúrgicos y las artes. Sin embargo, en nuestros días, la formación de un Leccionario para niños y oraciones eucarísticas adecuadas para ellos son realmente avances extraordinarios en nuestro tesoro de oración.

• **Go Ahead — Start a Problem!**

- The good Lord knows that churches of Christ have had problems, most of which have had disastrous results. But some church problems should be energetically sought. What kind? Consider:
- The problem of not enough parking spaces, class rooms and pews. Wouldn't it great if we ran out of them?
- The problem of requests for so many home Bible studies we can't handle them What if we had so many people asking us to teach them the word of God we had to put some of them on a waiting list? Would that be great or what!
- The problem of too many members of the church wanting to teach Bible classes. Wouldn't it be awesome if we had to take numbers and wait in line just to get to teach the Bible?
- The problem of so many youngsters who attend Bible classes we need to add on classrooms. We need such a problem now!
- The problem of wanting to support more evangelists than are available to go into hard places to preach. What a lift it would be if we had so much surplus money that we had to seek out men to support.
- The problem of preachers debating the best way to do personal evangelism and convincing sinners to believe in Christ, repent of their sins and be baptized.
- You agree these are good problems? You also agree we have had more than enough of the other kind? If you can cause us to have these problems, have at it-
